

June 2022

Inspiring learners, changing lives.

To all Parents and Carers
The Kemnal Academies Trust

Dear Parents and Carers

We would like to start by thanking you for supporting our schools over the past academic year. It has been easy to see first-hand that the children at all schools across the Trust have benefited hugely in terms of their wellbeing and learning from being with their classmates and teachers. It continues to be a most unusual and challenging time and school leaders and teachers are working hard to plan, teach and ensure effective learning for all across TKAT schools. This dedication must not go unrecognised and it is important that we are able to take the time publicly to say a huge thank you to all members of staff in our schools for the amazing work they put in for our children on a daily basis. Everyone who works within our schools contributes to this success.

This is to give you early notice that the Kemnal Academies Trust has scheduled an additional in-service training day for all schools in the Trust for Friday 30th September 2022. Pupils will, therefore, not be required to attend school on this day. School will re-open again at the normal time on Monday, 3rd October 2022.

The Trust did not take the decision lightly as we appreciate the inconvenience this may cause and your need to make alternative arrangements for your child. However, this is an opportunity for all the staff in TKAT schools to work together for the benefit of all of our pupils. This will give school leaders and staff an opportunity to meet and undertake important training which, in turn, will continue to strengthen all our schools and ultimately enhance the learning experience for all our children across the Trust.

All information regarding school holiday dates can be found on your school's website.

I would like to thank you in advance for your assistance in this matter.

Yours sincerely

Dr Karen Roberts
CEO
