School Uniform Survey

Dear Parents/Carers,

As a school council team we gather regularly to discuss issues relating to our school and how we can solve them to make Newlands an even better place.

We know that recently, prices of many essential items have increased, therefore we discussed ideas to reduce school equipment costs for families. School uniform can be expensive, so we came up with different ideas to help with the affordability of our school uniform. Our suggestions fit with the Government statutory guidance on the cost of school uniforms published 19 November 2021. (<https://www.gov.uk/government/publications/cost-of-school-uniforms>).

To help us decide which of our suggestions would be the most suitable for our school we need to know how everyone feels about our current school uniform. We care about your opinions and would love to hear them on the survey below:

<https://forms.gle/x2RKxuZbATc5qxFy9>

This same link will also be sent via text message.

Please ensure that you complete and submit this survey by Thursday 12th May 2022. The results will then be reviewed and analysed at our weekly School Council meeting. We will then discuss the results with Mr Bailey.

Yours sincerely,

Newlands School Council.
