## Introduction to the EWT Coffee Morning

**Newlands Primary School**

9am, Thursday 8th February 2024

Come and meet The Emotional Wellbeing Team for a chat over a cuppa to learn about who we are and what we do. We understand that from time to time children need additional support so we're here to help. We believe that getting early help can prevent difficulties from getting bigger so that children can enjoy their life.

We work alongside everyone in the school community to promote a 'whole school approach' to emotional wellbeing and mental health. We can think with you about your children's feelings and behaviour, share information and work together to find a way forwards.

*If you would like to attend please email your name & your child's name to –*
